

Banking that protects your future now.

Schedule of Fees- Consumer Products/Services

Space Coast Credit Union provides members with basic financial services at the most favorable rates and terms possible. Because we are a not-for-profit organization, we've been able to keep our fees on our services to a minimum. Members and their households who fully participate in the cooperative either by loan or deposit relationships or qualifying account activity have many of the fees waived at the Premier, Elite and Diamond Elite Member Rewards participation level.
